You are invited to attend a critical meeting of the Petaluma City Council at 7:00 pm on Monday, July 7. At that meeting, City Council will vote on the "Fiscal & Community Impact Report" (FCIR) Resolution that requires review of commercial projects such as a new Walmart or shopping mall in Petaluma. This is a critical decision because such projects have a significant impact on local business and on the surrounding area. This resolution will promote accountability in City planning! Please go to Petaluma City Hall on Monday, July 7 at 7 o'clock in the evening and make your presence count.
